**Marina, CA Sonya Haramis, M.Ed.**, award-winning author of inspirational books, has just released her delightful new book: **THE ADVENTURES OF LUMINARY LIGHT A FAIRY TALE OF A TEENY TINY ANGEL**.

This heartfelt book is for young readers ages 5 and older. Haramis both wrote and illustrated this magical story about a loving little angel. Young readers are already enjoying the book. Nathan, who is 10 years old, said, "It's an inspiring adventure story for kids." And K. C., a 4-year-old girl asked, "Mommy, can you read me another chapter?"

**THE ADVENTURES OF LUMINARY LIGHT** is the story of an angel who has to earn her wings by bringing Betsy and Sammy, who are lost in the woods, safely back to their home by dawn. Lumi finds them and takes them on sparkling magic trips they'll never forget to the Good Spirit, the Water Sprites, Twink the star, the Sun and Moon, and even teaches Sammy and Betsy to meditate and visualize. Along the way, Lumi fights evil forces trying to keep her and the children in the dark woods.

The book retails for \$7.95, is 105 pages long, soft-cover and is published by Peace of the Dreamer. It is available at Amazon and New Leaf Distributing Company, and any bookstore or retailer can order it.
